- ✓ **I Pledge to Drive Safely...**
BECAUSE I understand my decisions behind the wheel can either take a life or save a life – including my own, my passengers and all others on the road.
- ✓ **I Pledge to Always Buckle Up...**
BECAUSE it is the law in Georgia... and **BECAUSE** seatbelts are the single most effective means of reducing the risk of death in a crash.
- ✓ **I Pledge to Always Follow Driving Curfews...**
BECAUSE as an Intermediate Class D license carrier I understand it's the law in Georgia. Therefore, I will **NEVER** drive between the hours of midnight and 5am.
- ✓ **I Pledge to Always Follow Passenger Restrictions...**
BECAUSE I understand that while I have my Class D license I am restricted in the number of passengers as follows: the 1st 6 months I am allowed NO passengers under 21 (except for immediate family members). The 2nd 6 months, I am allowed one non-family passenger under 21. After one year, I am allowed no more than three non-family passengers who are less than 21.
- ✓ **I Pledge to Never Drive Distracted...**
BECAUSE I understand that eating, grooming, talking and interacting with passengers, taking selfies, responding to friend requests, and other such activities are dangerous distractions. Red lights, slow traffic and boredom are **NEVER REASONS** to endanger myself, my passengers or others on the road.
- ✓ **I Pledge to Never Drive Under the Influence of Alcohol or Drugs...**
BECAUSE Georgia is a Zero Tolerance state and if I drink and drive I can be pulled over and arrested. Driving impaired is the cause of a significant number of crashes and deaths on Georgia roads.
- ✓ **I Pledge to Always Navigate Safely...**
BECAUSE when I take my focus off the road, even for a split second, I'm putting my life and the lives of others in danger. I will put an address in my phone or navigation system **BEFORE** I start to drive and **ALWAYS** pull over to a safe place to change directions or addresses.
